Motion to amend the Bylaws of ATU Canada

Whereas;

ATU Canada Bylaws were amended in 2015 to remove per capita on Local unions to address the concerns of some locals.

Whereas;

ATU Canada has increased its capability and presence across the country.

Whereas;

ATU Canada costs of operation has increased significantly.

Whereas;

We all have a part in ensuring the viability of the national body and can ensure its survival through collective action

Whereas;

ATU Canada has proven instrumental in legislative fights in all Provinces across the Country.

Whereas;

ATU Canada has established themselves as the industry leader in public transit among different political arenas and union affiliates and community groups.

Whereas;

Funding our national voice is all of our responsibility.

Therefore, be it resolved ATU Local 113 Toronto, has moved the following ATU Canada Bylaw amendment as follows:

15.01 current language

Upon adoption of these Bylaws, no Local Unions shall be obligated to pay per capita tax to ATU Canada as otherwise authorized under Section 48 of the ATU Constitution and General Laws, subject to action taken under Section 16.02 of these Bylaws.

15.01 purposed amendment

Upon adoption of these Bylaws, each Local Union shall be obligated to pay \$0.25 per active member per month per capita tax to ATU Canada as otherwise authorized

under Section 48 of the ATU Constitution and General Laws, subject to action taken under Section 16.02 of these Bylaws.

15.02
